

Does your child need a dental check-up?

Did you know that:

- One in four children in NSW have untreated tooth decay
- Poor oral health can lead to pain and difficulties with eating, speaking and smiling
- The Child Dental Benefits Schedule (CDBS) provides Medicare funded dental care for eligible children* at your local dentist
- CDBS provides check-ups and some treatment up to \$1000 per child over two consecutive calendar years.

It's not too late – talk to your Doctor about it today and visit your Dentist.

For more information

www.adansw.com.au | Phone: 8436 9900
or www.humanservices.gov.au/individuals/services/medicare/child-dental-benefits-schedule

*Eligibility criteria apply: Children aged 2-17 years receiving Family Tax Benefit Part A and/or some other payments ADA036
