Join the Recent Graduates Committee (RGC) for 2019

- Make connections
- Create social events for recent grads
- Develop leadership skills
- Have input into CPD courses for recent grads
- Tackle the issues facing young dentists.

The RGC meets six times a year and we encourage recent grads (2012+) outside Sydney to join the committee. Those who cannot make meetings in person can join via teleconference. It's a great opportunity to be part of a team working to address the professional needs of recent graduates in relation to CPD, mentorship, events and networking.
