# Add the Library App Icon to your mobile phone for easy access
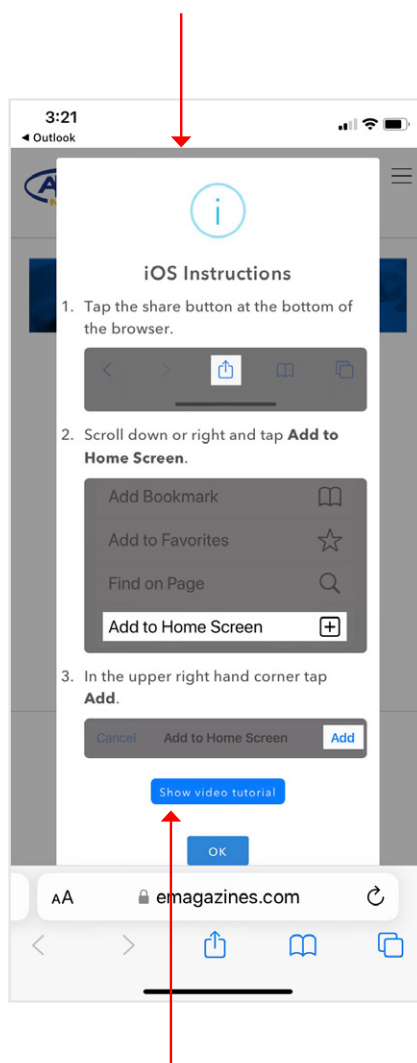

A link to each bi-monthly issue will be emailed to you but you can also add the app icon to your mobile phone's home screen for easy access.
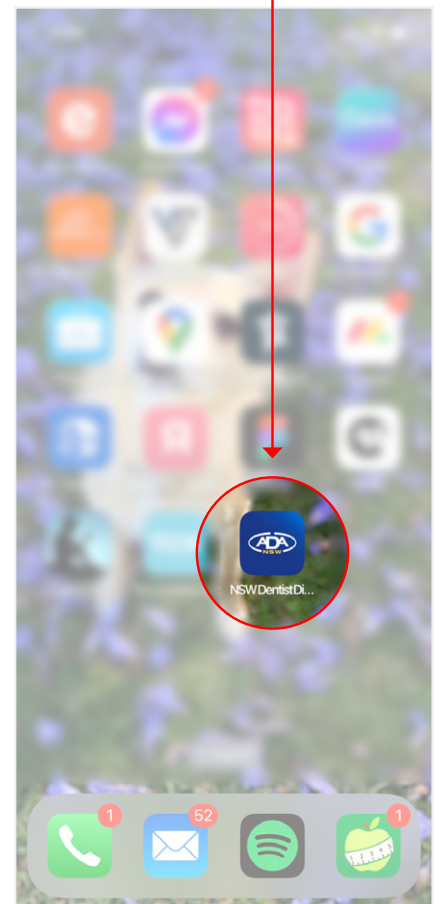

IOS instructions

1.
Click on the link that appears when you first access the library

2.
Follow the onscreen prompts

3.
The ADA NSW Digital Publication Library app is added to your home screen

Note: there is also a video tuturial available

Android instructions

1.
Click on the "hamburger" menu in the library

2.
Click on the "click here" link

3.
Click on "install"

4.
The ADA NSW Digital Publication Library app is added to your home screen

Using the mobile enhanced digital magazine

1. Note the cover and pages with ads are not mobile optimised.

To start reading simply swipe left between pages
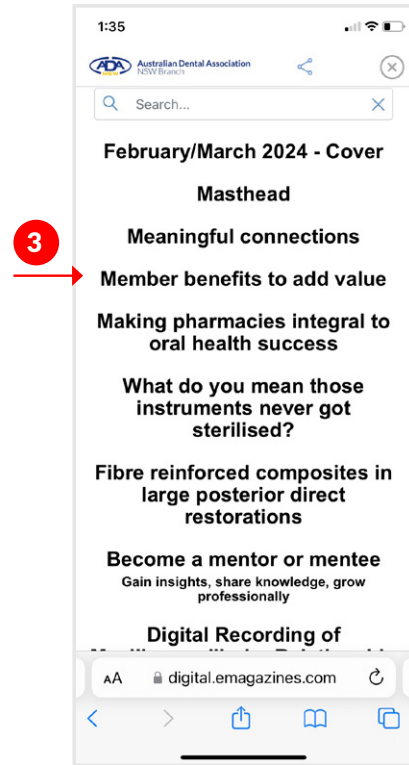

← (swipe in this direction)

2. Access the contents page by clicking on the cover image

Note: the cover image disappears when scrolling, to re-access, scroll back to the top of the article

3. Click the article title to go directly to that page

4. To have the articles read aloud to you, click the listen icon.

5. To share an article, click the share icon and follow the prompts

Using the desktop digital magazine

1. Use the left hand navigation items to
- search
- go to the library
- view thumbnails
- view contents
- bookmark a page
- share the issue
- download as a pdf
