## Presenter Profiles

### **Dr Wayne Sherson**, Dental Surgeon, Sydney

Dr Wayne Sherson received his BDS with Distinction from University of Otago in 1984 and completed the Master of Science Dentistry (Prosthodontics) program at the University of Sydney in 1992.

He has published and presented internationally, is in private general practice in Sydney and is lecturing for the CSU Graduate Diploma of Dental Implantology.

### **Dr Steven Stratis**, Dental Surgeon (Prosthodontist), Sydney

Dr Steven Stratis received his Bachelor of Dental Surgery from the University of Sydney in 1987 and then he went on to complete a Masters of Dental Science in Prosthodontics at that University in 1996. In addition to teaching at undergraduate level, he has given lectures and continuing education presentations in Sydney on a range of topics related to Prosthodontics. He maintains a successful specialist prosthodontic private practice centred on implant dentistry in Macquarie Street Sydney Australia.

### **Dr Luke Villata**, Dental Surgeon (Periodontist), Sydney

Dr. Villata received his dental degree from Sydney University in Sydney, Australia, where he was in private practice from 1985 until 1992.

Dr. Villata attended the Royal Dental College Aarhus, Denmark, where he obtained a Masters Degree in Periodontology. He obtained his specialist registration as a periodontist in New South Wales, Australia in 1996.

Dr. Villata has been in private specialist practice in Sydney since that time and has been a lecturer in Periodontology at the University of Sydney since 1997. He has lectured extensively at both the undergraduate and post graduate level. He has been published in international journals.

### **Dr Simon Wylie**, Dental Surgeon (Prosthodontist), Melbourne

Dr Simon Wylie received his Bachelor of Dental Science and Masters of Prosthodontics from University of Melbourne. He is in specialist prosthodontic practice in Melbourne, is a Fellow of the Royal Australasian College of Dental Surgeons and is a clinical instructor at the University of Melbourne prosthodontic program.
