**With
ADA NSW,
you're not just covered –
you're empowered.**

“ADA NSW membership pays for itself many times over with resources both educational and supportive. It provides a framework for advocacy and volunteerism. Be a part of the profession, not apart from it!”

Dr David Farrington
Member since 2006

Your professional advantage

Since 1928, ADA NSW has supported dentists across NSW and the ACT, guiding you from dental student to retirement.

ADA NSW is more than just a membership – it's your professional advantage

We're here to support you with:

- expert practitioner advice
- top-tier CPD from leading presenters
- preferential discounted professional indemnity cover
- essential resources for practice support, research and professional updates
- peer connections through events, study groups and mentoring.

Advocating for you

We're your voice, fighting for fair regulation, better workplace conditions, public dental funding and promoting oral health.

Putting members first

Our member-first approach ensures maximum value for your membership, advocacy and savings.

ADA NSW: Supporting you at every step

“Being a member of ADA NSW has opened doors to a network of supportive colleagues, incredible educational resources, and opportunities beyond clinical practice that have enriched my professional life since I first joined as a student member over a decade ago.”

Dr Cathleen Dong
Member since 2012

Savings that more than pay for your membership

With exclusive discounts and essential services, your ADA NSW membership pays for itself, helping you save on critical professional expenses while accessing top-tier support, education, and protection for your career.

As an ADA NSW member, you gain access to **valuable benefits that far outweigh the cost of membership**. Here’s an example of how your savings can add up:

Member benefit	You save
Professional indemnity cover with Guild Insurance Non-members pay up to 35% more than a comparable member policy, for example: GP working full-time in private practice with 11 years experience, who places implants.	\$2,200*
35% off ADA NSW CPD courses (such as <i>Nitrous Oxide and Oral Sedation</i> and <i>Surgical Extractions for the General Dentist</i>).	\$1,067
NEW – ‘Practitioner Essentials’ free online modules covering Dental Records and Consent, Infection Prevention and Control, Respect and Safety in the Workplace.	\$990
Total savings	\$4,257

Membership of ADA NSW – it’s a no brainer

ADA NSW membership pays for itself – offering significant savings, unparalleled professional support, strong advocacy and trusted protection. Plus, by being a member, you’re also supporting our affiliated charity, Filling the Gap, helping provide dental care for those in need.
